I. W. MCLEWEE, ASST. TREAS. & CO.

Philadelphia, 4/22 1892

My dear Sam.

I am this morn in receipt of yours of 15th S. F. I both wrote and telegraphed you at Johnsville. Had I known you would be so long in S. F. I should have written you there.

I am sorry to learn that there is more trouble knowing for Cornell. I have heard nothing from him since we parted at Palace Jan 4th last.

His \$400 for \$2000. came along in regular course thru Wells, Fargo & Co. and was paid. completing my total payments for his Jamison Co. interest as per assignment which you saw. Let the 10,000 shares by good title and as cheap as you can. all claim on it should be extinguished beyond that which we hold for money advanced. I beg'd you at Plumas to make the express's monthly notes for the "Coran" \$2000. to my order and I will send you check & authorize you to draw. I have already paid \$1500. on this account as I understand it. I shall be glad to get your next letter for Jamison all as well as usual here. I am quite lame.

Yours, W. J. Cheyney
Your affectionate father W. J. Cheyney
